

# Group Greek Lessons for Beginners A1+ - *Studies outline*

## PREREQUISITE

You'll need to know how to read Greek, how to greet people, how to exchange personal information (country of origin, place of living, name, telephone), how to talk about your family, your free time, your vacations, your house.

This schedule is just a plan. It does not mean that we will cover everything or we will not cover anything else that might interest our students. A group lesson is very dynamic and the pace of the lessons and the exact topics we will cover depends on the students.
